

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Time Table for I-year MBBS 2019- 2020 Batch

Week 1							
Day & Date	8.45-9.45am	9.45-10.45am	10.45 - 11am	11.00-1.00pm	1-2 pm	2-4pm	
02.09.2019 (Monday)	Holiday		Short Break	Holiday		Holiday	
03.09.2019 (Tuesday)	Principles of Homeostasis	L1: Anatomical terminologies		Batch B: SDL- Mitosis, Meiosis Batch C: Microscope Batch A: Introduction(SGD)		Dissection- introduction	
04.09.2019 (Wednesday)	L2:Microscope & common objects	Blood volume & composition of blood		Batch C : SDL -Mitosis, Meiosis Batch A: Microscope Batch B :Introduction(SGD)		Batch A: SDL- Mitosis, Meiosis	Batch B & C: Dissection- Anatomical terminologies
05.09.2019 (Thursday)	Cell biology – 1	L3:Histology: Epithelium		Histology Practical Batch A:Microscope & common objects Batch B: Microscope BATCH C SDL-Cell biology		Horizontal integration	
06.09.2019 (Friday)	Structure and functions of cell, Organelles, Intercellular Connections	Chemistry of Carbohydrates -1		Histology Practical Batch B: Microscope & common objects Batch C: Microscope + Collection of blood Sample BATCH A SDL- Cell		Dissection- Anatomical terminologies	
07.09.2019 (Saturday)	L4: Introduction to embryology	Plasma Proteins & its functions		Histology Practical Batch C:Microscope & common objects Batch A: Microscope + Collection of blood Sample BATCH B SDL- Cell		SPORTS	
				Lunch Break			

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week 2 Module:							
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm	
09.09.2019 (Monday)	L5:Histology: Connective tissue	Transport across cell membrane	Short Break	Histology Practical Batch A:Epitheli Batch B: Microscope + Collection of blood Sample Practicals/DOAP/certifiable: BATCH C Normal urine analysis-organic constituents	Lunch Break	L6:-Embryology: Female genital tract during reproductive period- Menstrual cycle, ovarian cycle	
10.09.2019 (Tuesday)	Intercellular communication and Chemical messengers	L7:Cartilage and bone		Histology Practical Batch B: Epithelium Batch C: Effect of varying strength of saline on human RBCs + Osmotic Fragility (Demo) DOAP/certifiable: BATCH A :Normal urine analysis- organic constituents		Dissection- Cartilage	
11.09.2019 (Wednesday)	L8:Joints-I	RBC, Erythropoiesis- 1		Histology Practical Batch C:Epithelium Batch A: Effect of varying strength of saline on human RBCs + Osmotic Fragility (Demo) DOAP/certifiable: BATCH B: Normal urine analysis- organic constituents		Dissection- Bone	
12.09.2019 (Thursday)	Chemistry of Carbohydrates- 2	L9:Histology: Cartilage		Histology Practical Batch A:Connective tissue Batch B:Effect of varying strength of saline on human RBCs + Osmotic Fragility (Demo) BATCH C: SDL Chemistry Of carbohydrates		Histology Practical Batch A:Cartilage	Batch B & C: Dissection- Joints
13.09.2019 (Friday)	Genetic control of cell reproduction	Chemistry of Lipids – 1		Histology Practical Batch B: Connective tissue Batch C:Hemocytometry		Histology Practical Batch B:	Batch A & C: Dissection- Joints

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

				BATCH A: SDL Chemistry Of carbohydrates		Cartilage	
14.09.2019 (Saturday)	L10:Joints-II	Erythropoiesis-2		Histology Practical C:Connective tissue Batch A:Hemocytometry BATCH B: SDL Chemistry Of carbohydrates	Batch	AETCOM	

Week 3 Module:							
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm	
16.09.2019 (Monday)	L11:Histology: Bone	Chemistry of Carbohydrates-3	Short Break	Histology Practical Batch A: Bone Batch B:Hemocytometry Practicals/DOAP/certifiable: BATCH C:Normal urine analysis- inorganic constituents	Lunch Break	L12: Muscle	Dissection-Muscle
17.09.2019 (Tuesday)	Transport across the cell membrane –I	L13:Histology: Muscle		Histology Practical Batch B: Bone Batch C:Determination of RBC count DOAP/certifiable: BATCH A:Normal urine analysis-inorganic constituents		L14: Blood vascular system	
18.09.2019 (Wednesday)	L15:Histology: Blood vessels	Transport across the cell membrane -II		Histology Practical Batch C: Bone Batch A:Determination of RBC count DOAP/certifiable: BATCH B:Normal urine analysis-		Histology Practical Batch A: Blood vessels	Batch B & C: SDL

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

			inorganic constituents		
19.09.2019 (Thursday)	Chemistry of Lipids – 2	L16:Lymphatic system	Histology Practical Batch A: Muscle Batch B:Determination of RBC count SDL BATCH C: Chemistry of Lipids	Histology Practical Batch B: Blood vessels	Batch A & C: SDL
20.09.2019 (Friday)	Hemoglobin & Iron metabolism ***	Chemistry of Proteins – 1	Histology Practical Batch B: Muscle Batch C:RBC count repeat SDL BATCH A : Chemistry of lipids	Histology Practical Batch C: Blood vessels	Batch B & A: SDL
21.09.2019 (Saturday)	L17:Histology: Lymphoid tissue-1	Blood volume ,Body water and Body fluids ***	Histology Practical Batch C: Muscle Batch A:RBC count repeat SDL BATCH B : Chemistry of lipids	SPORTS	

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week 4							
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm	
23.09.2019 (Monday)	L18:Nervous system -I	Chemistry of Lipids – 3	Short Break	Histology Practical Batch A: Lymphoid tissue-1 Batch B:RBC count repeat DOAP/certifiable BATCH C : Abnormal urine analysis 1	Lunch Break	Dissection: Blood vascular system	
24.09.2019 (Tuesday)	Anemia ***	L19:Nervous system -II		Histology Practical Batch B: Lymphoid tissue-1 Batch C:Determination of WBC count DOAP/certifiable BATCH A : Abnormal urine analysis 1		Dissection- Lymphoid system	
25.09.2019 (Wednesday)	L20:Histology: Lymphoid tissue-2	General Physiology-Problems/Charts		Histology Practical Batch C: Lymphoid tissue-1 Batch A:Determination of WBC count DOAP/certifiable BATCH B : Abnormal urine analysis 1		Dissection- Lymphoid system	
26.09.2019 (Thursday)	Chemistry of Proteins 2	L21:Histology: Nervous tissue		Histology Practical Batch A: Lymphoid tissue-2 Batch B:Determination of WBC count SDL BATCH C : Chemistry of proteins		Dissection- Nervous system	
27.09.2019 (Friday)	Jaundice ***	Chemistry of Nucleic acids - 1		Histology Practical Batch B: Lymphoid tissue-2 Batch C:WBC count repeat SDL BATCH A: Chemistry of proteins		Histology Practical Batch C: Lymphoid tissue-2	Dissection-Batch A& B: Nervous system
28.09.2019 (Saturday)	Holiday					Holiday	

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week 5 Module:							
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm	
30.09.2019 (Monday)	L22:Skin and fascia	Chemistry of Proteins – 3	Short Break	Histology Practical Batch A: Nervous tissue Batch B :WBC count repeat DOAP/certifiable BATCH C : Abnormal urine analysis 2	Lunch Break	Dissection- Skin and fascia	
01.10.2019 (Tuesday)	WBC	L23::Embryology: Fertilisation		Histology Practical Batch B: Nervous tissue Batch C: WBC count repeat DOAP/certifiable BATCH A : Abnormal urine analysis 2		Histology Practical Batch C: Nervous tissue	DissectionBatch A& B:- Skin and fascia
02.10.2019 (Wednesday)	Holiday			Holiday		Holiday	
03.10.2019 (Thursday)	Chemistry of Nucleic acids – 2	L24: Histology: Integumentary system		Histology Practical Batch A: Integumentary system Batch B :SDL Heme metabolism(horizontal integration topic)		Horizontal integration	
04.10.2019 (Friday)	Neuron, Neuralgia & Nerve injury	Enzymes – 1		Histology Practical Batch B: Integumentary system Batch C :SDL Histology Practical SDL BATCH A : Chemistry of Nucleic acids		L25: Embryology: germinal period 1st week	
05.10.2019 (Saturday)	L26: Embryology : germinal period 2nd week	Immunity-I		Histology Practical Batch C: Integumentary system Batch A:SDL SDL BATCH B : Chemistry of Nucleic acids		SPORTS	

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week 6 Module:						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
07.10.2019 (Monday)	Holiday		Short Break	Holiday	Lunch Break	Holiday
08.10.2019 (Tuesday)	Holiday			Holiday		Holiday
09.10.2019 (Wednesday)	L27: Embryology: germinal period 3rd week	Electrical properties of nerve (RMP)		SDL: embryology models Batch A :WBC count repeat DOAP/certifiable BATCH B : Abnormal urine analysis 2		L28: embryology and histology of placenta
10.10.2019 (Thursday)	Enzymes – 2	L29: Embryology: germinal period 4th -8th week		Osteology Batch A: clavicle Batch B :SDL Histology Practical Batch A: Placenta & umbilical cord SDL BATCH C :Enzymes		L30: embryology and histology of umbilical cord
11.10.2019 (Friday)	Immunity-II	Heme metabolism-1		Practicals/DOAP/certifiable Batch C :SDL SDL BATCH A :Enzymes		Dissection: Surface landmarks of upper limb
12.10.2019 (Saturday)	L31:Embryology : teratology	Properties of nerve		Osteology Batch C: clavicle Batch A :SDL SDL BATCH B :Enzymes		AETCOM

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week 7 Module:							
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm	
14.10.2019 (Monday)	L32:Pectoral region	Enzymes – 3	Short Break	Histology Practical Batch A: Placenta & umbilical cord Batch B :Estimation of Hemoglobin + Blood Indices DOAP/certifiable BATCH C : Abnormal urine analysis 3	Lunch Break	Osteology : Scapula	
15.10.2019 (Tuesday)	Physiology of muscle	L33:Mammary gland		Histology Practical Batch B: Placenta & umbilical cord Batch C :Estimation of Hemoglobin + Blood Indices DOAP/certifiable BATCH A : Abnormal urine analysis 3		Dissection: Pectoral region	
16.10.2019 (Wednesday)	L34:Axilla -I	Platelets (Description, Thrombopoiesis , Functions		Histology Practical Batch C: Placenta & umbilical cord Batch A :Estimation of Hemoglobin + Blood Indices DOAP/certifiable BATCH B : Abnormal urine analysis 3		Dissection: Mammary gland	
17.10.2019 (Thursday)	Heme metabolism-2	L35:Axilla -II		Osteology Batch A: Humerus Batch B :SDL SDL BATCH C: Heme		Dissection: Axilla	

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

				metabolism		
18.10.2019 (Friday)	Neuro muscular junction	Enzymes – 4		Osteology Batch B: Humerus Batch C :SDL SDL BATCH A: Heme metabolism		Seminar : spaces of back
19.10.2019 (Saturday)	L36: Back, scapular muscles	Neuro muscular junction		Osteology Batch C: Humerus Batch A :SDL SDL BATCH B: Heme metabolism		SPORTS

Week 8 Module:						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
21.10.2019 (Monday)	L37: Deltoid, Axillary nerve & anastomoses around scapula	Enzymes – 5	Short Break	Osteology Batch A: Radius Repeat Hb, RBC & WBC count SGD BATCH C: Colorimetry	Lunch Break	Dissection: Back, scapular muscles
22.10.2019 (Tuesday)	Blood Coagulation II (Anticoagulants, Tests for Blood clotting, Applied physiology)	L38: Shoulder joint		Osteology Batch B: Radius Repeat Hb, RBC & WBC count SGD BATCH A: Colorimetry		Dissection: Deltoid region

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

23.10.2019 (Wednesday)	L39: Genetics : Chromosome	Excitation contraction coupling	Osteology Batch C: Radius Repeat Hb, RBC & WBC count SGD BATCH B: Colorimetry	ECE-1 & Dissection: Shoulder joint	
24.10.2019 (Thursday)	Heme metabolism-3	L40:Anterior compartment of arm and cubital fossa	Osteology Batch A: Ulna BT,CT, Blood Groups SDL BATCH C: Enzymes	L 41: Back of arm	Dissection:Anterior compartment of arm and cubital fossa
25.10.2019 (Friday)	Blood Groups	Enzymes – 6 (DOAP)	Osteology Batch B: Ulna BT,CT, Blood Groups SDL BATCH A: Enzymes	Dissection:Back of arm	
26.10.2019 (Saturday)	L42:Anterior compartment of forearm	Properties of skeletal muscle	Osteology Batch C: Ulna BT,CT, Blood Groups SDL BATCH B: Enzymes	SPORTS	

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week9 Module:							
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm	
28.10.2019 (Monday)	L43: Posterior compartment of forearm	Enzymes – 5	Short Break	Osteology Batch A: Articulated hand Haematology – Charts & Problems (B) DOAP/certifiable BATCH C: Estimation of Blood Glucose	Lunch Break	Osteology Batch B: Articulated hand	Batch A & C: Anterior compartment of forearm
29.10.2019 (Tuesday)	Holiday			Holiday		Holiday	
30.10.2019 (Wednesday)	L44: Palm-I	Blood Transfusion and Blood bank		Osteology Batch C: Articulated hand Haematology – Charts & Problems (A) DOAP/certifiable BATCH B: Estimation of Blood Glucose		Dissection: Posterior compartment of forearm	
31.10.2019 (Thursday)	Vitamins-1	L45: Palm-II		Osteology Batch A: Hip bone SDL (B) SDL BATCH C: Vitamins		Osteology Batch B: Hip bone	Dissection: Palm
01.11.2019 (Friday)	Holiday			Holiday		Holiday	
02.11.2019 (Saturday)	L46: Palm-III	Smooth muscle (Action Potential, Properties)		Osteology Batch C: Hip bone SDL (A) SDL BATCH B: Vitamins			

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week 10 Module:						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
04.11.2019 (Monday)	L47:Elbow joint	Vitamins-2	Short Break	Osteology Batch A: Femur Determination of DLC- Blood smear, staining BATCH C: ECE- GRBS	Lunch Break	Dissection:Palm
05.11.2019 (Tuesday)	Functional anatomy of RS & Gas laws	L 48: Other joints of upper limb		Osteology Batch B: Femur Determination of DLC- Blood smear, staining BATCH A: ECE- GRBS		L 49:Cutaneous innervation , venous drainage and lymphatics of upper limb
06.11.2019 (Wednesday)	L50: Genetics : Inheritance pattern	Cardiac muscle (Cardiac Action Potential , properties) ,Differences between 3 types of muscles		Osteology Batch C:Femur Determination of DLC- Blood smear, staining BATCH B: ECE- GRBS		ECE- 2 & Dissection: Elbow and other joints of upper limb
07.11.2019 (Thursday)	Minerals-1	L51:Front of thigh-I		Osteology Batch A:Tibia Determination of DLC- Identification, counting SDL BATCH A : Minerals		Horizontal integration
08.11.2019 (Friday)	Pulmonary circulation	Vitamins-3		Osteology Batch B:Tibia Determination of DLC- Identification, counting SDL BATCH A : Minerals		Dissection: Surface landmarks of lower limb & front of thigh
09.11.2019 (Saturday)	L52:Front of thigh-II	Autonomic Nervous System		Osteology Batch C:Tibia Determination of DLC- Identification, counting SDL BATCH B : Minerals		AETCOM

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week11 Module:							
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm	
11.11.2019 (Monday)	L53:Adductor compartment of thigh	Vitamins-4	Short Break	Osteology Batch A:Fibula & Patella DLC Repeation DOAP/certifiable: BATCH C: Estimation of blood urea	Lunch Break	Dissection:Front of thigh & Adductor compartment of thigh	
12.11.2019 (Tuesday)	Mechanics of respiration	L54:Gluteal region		Osteology Batch B:Fibula & Patella DLC Repeation DOAP/certifiable: BATCH A: Estimation of blood urea		L55:Back of thigh	Dissection:Gluteal region
13.11.2019 (Wednesday)	L56:Popliteal fossa	Structure of Heart & Blood vessels		Osteology Batch C:Fibula & Patella DLC Repeation DOAP/certifiable: BATCH B: Estimation of blood urea		ECE-3 Of Sciatic nerve	
14.11.2019 (Thursday)	Minerals-2	L57:Hip joint		Osteology Batch A:Articulated foot SDL SDL: BATCH C: Vitamins		Dissection: Back of thigh & Popliteal fossa	
15.11.2019 (Friday)	Lung volumes & capacities	Vitamins-5		Osteology Batch B:Articulated foot SDL (1 hr) + Haematology –Charts & Problems(C (1hr) SDL: BATCH A: Vitamins		Dissection:Hip joint	

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

16.11.2019 (Saturday)	L58:Anterior compartment of leg & dorsum of foot	Origin of cardiac impulse & Electrical Properties of cardiac muscle		Osteology Batch C:Articulated foot SDL SDL: BATCH B: Vitamins	SPORTS
--------------------------	--	---	--	--	--------

Week12 Module:						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
18.11.2019 (Monday)	L59:Knee joint	Vitamins-6	Short Break	SGD Batch A: cutaneous nerves, Venous and lymphatic drainage of lower limb DLC Repetition BATCH C: ECE Urinary Ketones with Dipstick	Lunch Break	Dissection:Anterior compartment of leg & dorsum of foot
19.11.2019 (Tuesday)	Mechanical Properties of cardiac muscle	L 60:Back of leg		SGD Batch B: cutaneous nerves, Venous and lymphatic drainage of lower limb DLC Repetition BATCH A: ECE Urinary Ketones with Dipstick		ECE -4 &Dissection: Knee joint
20.11.2019 (Wednesday)	L61:Lateral compartment of leg	Surface Tension, Compliance & Work of Breathing		SGD Batch C: cutaneous nerves, Venous and lymphatic drainage of lower limb DLC		Dissection:Back of leg

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

				Repeation BATCH B: ECE Urinary Ketones with Dipstick	
21.11.2019 (Thursday)	Minerals-3	L62:Sole-I		Batch A: Surface marking of limbs SDL SDL: BATCH C: Jaundice and LFT	L63:Sole-II Dissection:Lateral compartment of leg
22.11.2019 (Friday)	ECG-I	Vitamins-7		Batch B: Surface marking of limbs SDL SDL: BATCH A: Jaundice and LFT	L64:Ankle & other joints of lower limb Dissection:Sole
23.11.2019 (Saturday)	L65:Arches of foot	O ₂ Transport		Batch C: Surface marking of limbs SDL SDL: BATCH B: Jaundice and LFT	SPORTS

Week13 Module:						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
25.11.2019 (Monday)	L66:Genetics Numerical abnormalities	Vitamins-8	Short Break	Batch A: radiology of limbs AEC Practicals/DOAP/certifiable: BATCH C: Estimation of serum and urine creatinine and creatinine clearance	Lunch Break	Dissection:Ankle & other joints of lower limb

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

26.11.2019 (Tuesday)	CO ₂ Transport	L67:Genetics structural Abnormalities	Batch B: radiology of limbs AEC Practicals/DOAP/certifiable: BATCH A: Estimation of serum and urine creatinine and creatinine clearance	L68: Development of skin and mammary gland
27.11.2019 (Wednesday)	L 69: Development of limbs	ECG-II	Batch C: radiology of limbs AEC Practicals/DOAP/certifiable: BATCH B: Estimation of serum and urine creatinine and creatinine clearance	L70:Inborn Errors of metabolism
28.11.2019 (Thursday)	Immunology -1	L71:Prenatal diagnosis & genetic counselling	Batch A: Histology and genetic revision SDL SDL BATCH C: Revision and Immunology	Revision
29.11.2019 (Friday)	Neural Regulation of RS	Vitamins-9	Batch B: Histology and genetic revision SDL SDL BATCH A: Revision and Immunology	Revision
30.11.2019 (Saturday)	Vertical integration		Batch C: Histology and genetic revision SDL SDL BATCH B: Revision and Immunology	SPORTS

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week14 Module: INTERNALS						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
02.12.2019 (Monday)	Internals-1 THEORY		Short Break		Lunch Break	
03.12.2019 (Tuesday)	Internals-1 THEORY					
04.12.2019 (Wednesday)	Internals-1 THEORY					
05.12.2019 (Thursday)	Internals PRACTICALS					
06.12.2019 (Friday)	Internals PRACTICALS					
07.12.2019 (Saturday)	Internals PRACTICALS					

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week15 Module:						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
09.12.2019 (Monday)	L72: Development of respiratory system	Immunology -2	Short Break	Osteology Batch A: Sternum AEC Repetition SGD: BATCH C: Estimation of Serum total protein/ Albumin/ A:G ratio	Lunch Break	Osteology : Ribs
10.12.2019 (Tuesday)	Cardiac cycle-I	L 73:Thoracic cage, inlet , intercostal space		Osteology Batch B: Sternum AEC Repetition SGD: BATCH A: Estimation of Serum total protein/ Albumin/ A:G ratio		Dissection:Thoracic cage, inlet
11.12.2019 (Wednesday)	L 74:Thoracic outlet and Diaphragm	Cardiac cycle-II & Heart sounds		Osteology Batch C: Sternum AEC Repetition SGD: BATCH B: Estimation of Serum total protein/ Albumin/ A:G ratio		ECE -5 & Dissection: intercostal space
12.12.2019 (Thursday)	Nucleotide metabolism-1	L 75: Pleura		Osteology Batch A: Thoracic vertebrae SDL- (PFT and Yoga) SDL : BATCH C – Nucleotide metabolism		Horizontal integration
13.12.2019 (Friday)	Hemodynamics of Circulation	Molecular biology-1		Osteology Batch B: Thoracic vertebrae SDL- (PFT and Yoga) SDL : BATCH A– Nucleotide metabolism		Dissection:Thoracic outlet and Diaphragm
14.12.2019 (Saturday)	L 76: Lung	Physiology of High & Low altitude		Osteology Batch C: Thoracic vertebrae SDL- (PFT and Yoga) SDL : BATCH B– Nucleotide		AETCOM

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

			metabolism	
--	--	--	------------	--

Week16 Module:						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
16.12.2019 (Monday)	L 77:Histology: epiglottis , trachea &lung	Nucleotide metabolism-2	Short Break	Histology Practical, Batch A: epiglottis , trachea &lung Platelet count Demo Practicals/DOAP/certifiable: BATCH C: Estimation of Serum total protein	Lunch Break	Dissection:Pleura
17.12.2019 (Tuesday)	Hypoxia	L 78: Embryology : Diaphragm and pleural sac		Histology Practical, Batch B: epiglottis , trachea &lung Platelet count Demo Practicals/DOAP/certifiable: BATCH A: Estimation of Serum total protein		Dissection:Lung
18.12.2019 (Wednesday)	L 79: Mediastinum- I	Cardiac Output - I		Histology Practical, Batch C: epiglottis , trachea &lung Platelet count Demo Practicals/DOAP/certifiable : BATCH B Estimation of Serum total protein/ Albumin/ A: G Ratio		ECE 6 & Dissection: Lung
19.12.2019 (Thursday)	Molecular biology- 2	L80: Mediastinum-II		Batch A: SDL ESR, PCV, Reticulocyte DEMO SDL: BATCH C: Molecular Biology		Dissection: Mediastinum
20.12.2019 (Friday)	Exercise Physiology -I	Nucleotide metabolism-3		Batch B: SDL ESR, PCV, Reticulocyte DEMO		Dissection: Mediastinum

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

				SDL: BATCH A: Molecular Biology	
21.12.2019 (Saturday)	L 81: Pericardium and External features of the Heart	Heart rate Regulation, Pulse Rate		Batch C: SDL ESR, PCV, Reticulocyte DEMO SDL: BATCH B: Molecular Biology	SPORTS

Week17 Module:								
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm		
23.12.2019 (Monday)	L 82: Interior of heart-I	Molecular biology-3	Short Break	Batch A: Surface marking & radiology of thorax Practicals/ Certifiable: BATCH C: Estimation of serum albumin and A:G ratio	Lunch Break	Dissection:Pericardium and External features of the Heart		
24.12.2019 (Tuesday)	Exercise Physiology –II	L 83: Interior of heart-II		Batch B: Surface marking & radiology of thorax Practicals/ Certifiable: BATCH A: Estimation of serum albumin and A:G ratio		Dissection: Interior of heart	Batch C: Surface marking & radiology of thorax	
25.12.2019 (Wednesday)	Holiday			Holiday		Holiday		
26.12.2019 (Thursday)	Oxidative stress	L 84: Blood supply of heart		Osteology Batch A: Lumbar vertebrae SDL: BATCH C: Molecular Biology		ECE 7 & Dissection: Blood supply of heart		
27.12.2019 (Friday)	Decompression Sickness	Molecular biology-4		Osteology Batch B: Lumbar vertebrae SDL: BATCH A: Molecular Biology		Dissection:Blood supply of heart		

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

28.12.2019 (Saturday)	L 85: Embryology: CVS-I	Cardiac Output - II	Osteology Batch C: Lumbar vertebrae SDL: BATCH B: Molecular Biology	SPORTS
--------------------------	-------------------------------	------------------------	--	--------

Week18 Module:						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
30.12.2019 (Monday)	L 86: Embryology: CVS-II	Molecular biology-5	Short Break	Batch A: SDL Embryology models BATCH C: ECE- Edema	Lunch Break	L 87:Embryology:CVS-III
31.12.2019 (Tuesday)	Blood pressure-I	L 88: Anterolateral abdominal wall		Batch B: SDL Embryology models BATCH A: ECE- Edema		Dissection: Surface land mark of abdomen
01.01.2020 (Wednesday)	L 89: Histology: Lip & tongue	Blood pressure-II		Batch C: SDL Embryology models Arterial pulse and pulse tracing BATCH B: ECE- Edema		Dissection: Anterolateral abdominal wall
02.01.2020 (Thursday)	Free radicals & antioxidants	L 90:Rectus sheath & its content		Histology Practical Batch A: Lip & tongue Arterial pulse and pulse tracing SDL:BATCH C: Oxidative stress and antioxidant		Horizontal integration
03.01.2020 (Friday)	Introduction to GIT	Molecular biology-6		Histology Practical Batch B: Lip & tongue Arterial pulse and pulse tracing SDL:BATCH A: Oxidative		Dissection: Rectus sheath & its content

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

			stress and antioxidant

09.05.2020 (Saturday)	L:Histology: olfactory epithelium, organ of corti	Thalamus	SDL Batch C: Paranasal air sinuses Cranial Nerves (7-12) SDL BATCH B- composition of CSF, autoanalyser, spectrophotometry, Diabetes mellitus	AETCOM

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week 37: Module: Nervous System, Head & Neck , Special Senses, Molecular Biology, Cancer Biology						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
11.05.2020 (Monday)	L:Spinal cord	Instruments commonly used in Laboratory	Short Break	Histology Practical Batch A: olfactory epithelium, organ of corti Cranial Nerves (7-12) Revision BATCH C : Demonstration - paper chromatography, TLC	Lunch Break	L: Development of face and palate
12.05.2020 (Tuesday)	Hypothalamus-I	L:Histology: Spinal cord		Histology Practical Batch B: olfactory epithelium, organ of corti Cranial Nerves (7-12) Revision BATCH A: Demonstration - paper chromatography, TLC		ECE 17 & Dissection:Spinal cord
13.05.2020 (Wednesday)	L:Medulla	Endocrine Pancreas-I		Histology Practical Batch C: olfactory epithelium, organ of corti Cranial Nerves (7-12) Revision BATCH B :		Dissection:Spinal cord

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

				Demonstration - paper chromatography, TLC	
14.05.2020 (Thursday)	Screening of inborn errors in urine & paper chromatography	L:Pons		Histology Practical Batch A: Spinal cord SDLs SDL BATCH C- Proteinuria,edema	Dissection:Medulla
15.05.2020 (Friday)	Hypothalamus-II	Calculation of energy content of food, glycemic index		Histology Practical Batch B: Spinal cord SDLs SDL BATCH C- Proteinuria,edema	Dissection:Pons
16.05.2020 (Saturday)	L:Mid brain	Endocrine Pancreas-II		Histology Practical Batch C: Spinal cord SDLs SDL BATCH C- Proteinuria,edema	SPORTS

Week 38: Module: Nervous System, Head & Neck , Special Senses, Molecular Biology, Cancer Biology						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
18.05.2020 Monday	L:Cerebellum	Fatty acids in food	Short Break	SDL Batch A: Functional components of cranial nerves Perimetry SGD: BATCH C: Demonstration pH meter, electrolyte	Lunch Break	Dissection:Mid brain

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

			analysis by ISE, ABG analyser	
19.05.2020 Tuesday	Physiology of Growth	L:Cerebrum-I	SDL Batch B: Functional components of cranial nerves Perimetry SGD: BATCH A: Demonstration pH meter, electrolyte analysis by ISE, ABG analyser	Dissection:Cerebellum
20.05.2020 Wednesday	L:Cerebrum-II	Limbic system	SDL Batch C: Functional components of cranial nerves Perimetry SGD: BATCH B: Demonstration pH meter, electrolyte analysis by ISE, ABG analyser	Dissection:Cerebrum
21.05.2020 Thursday	Safe lab practices, waste disposal	L:Basal ganglia and limbic system	SGD Batch A: cranial nerve I & II Revision SDL: BATCH C- Dyslipidemia & MI, acid base disorders	Dissection:Cerebrum
22.05.2020 Friday	Introduction to special senses	Preparation of buffer, estimation of pH	SGD Batch B: cranial nerve I & II Revision	Dissection:Cerebrum

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

			SDL: BATCH A- Dyslipidemia & MI acid base disorders	
23.05.2020 Saturday	L:Diencephalon-I	Reticular System	SGD Batch C: cranial nerve I & II Revision SDL: BATCH B - Dyslipidemia & MI	SPORTS

Week 39: Module: Nervous System, Head & Neck , Special Senses, Molecular Biology, Cancer Biology						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
25.05.2020 Monday	L:Diencephalon-II	A:G Ratio, creatinine clearance,chemical composition of normal urine	Short Break	SDL Batch A: cranial nerve III, IV & VI Basic Life Support SGD: BATCH C: DEMONSTRATION- protein electrophoresis & immunodiffusion	Lunch Break	Dissection:Basal ganglia and limbic system
26.05.2020 Tuesday	EEG & Sleep	L:Histology:Cerebrum ,cerebellum & pineal gland		SDL Batch B: cranial nerve III, IV & VI Basic Life Support SGD: BATCH A DEMONSTRATION		Dissection:Basal ganglia and limbic system

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

				-protein electrophoresis & immunodiffusion	
27.05.2020 Wednesday	L:Ventricles -I	Visual Pathway		SDL Batch C: cranial nerve III, IV & VI Basic Life Support SGD: BATCH B - DEMONSTRATION -protein electrophoresis & immunodiffusion	Dissection:Diencephalon
28.05.2020 Thursday	Clinical Dicsussion– Diabetes mellitus, Starvation ketosis and Diabetic ketoacidosis, Hypoglycemia	L:Development of eye		Histology Practical Batch A: Cerebrum ,cerebellum & pineal gland SDLs SDL: BATCH C- renal failure ,nephrotic syndrome	Dissection:Diencephalon
29.05.2020 Friday	Cerebrum-I	Clinical Dicsussion - Acute glomerulonephritis, Nephrotic syndrome		Histology Practical Batch B: Cerebrum ,cerebellum & pineal gland SDLs SDL: BATCH A- renal failure ,nephrotic syndrome	Dissection:Ventricles
30.05.2020 Saturday	VERTICAL INTEGRATION			Histology Practical Batch C: Cerebrum ,cerebellum & pineal gland	SPORTS

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Week 40: Module: Nervous System, Head & Neck , Special Senses, Molecular Biology, Cancer Biology						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
1.06.2020 Monday	L:Ventricles -II	Clinical Dicsussion – Lactose intolerance, Hereditary fructose intolerance and galactosemia	Short Break	SDL Batch A: cranial nerve V Revision of Clinical Examination of Nervous System SGD: BATCH C: Demostration-ELISA	Lunch Break	Dissection:Ventricles
2.06.2020 Tuesday	Cerebrum-II	L:Embryology: Branchial apparatus -I		SDL Batch B: cranial nerve V Revision of Clinical Examination of Nervous System SGD: BATCH A: Demostration - ELISA		Dissection:Ventricles
3.06.2020 Wednesday	L:Blood supply of brain	Optics and Refraction		SDL Batch C: cranial nerve V Revision of Clinical Examination of Nervous System SGD: BATCH B: Demostration - ELISA		ECE 18 & Dissection:Blood supply of brain
4.06.2020 Thursday	Clinical Dicsussion – Hyperthyroidism, Hypothyroidism	L:Embryology: Branchial apparatus -II		Batch A: Surface marking of head and neck SDLs		HORIZONTAL INTEGRATION

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

			(Smell and taste) SDL: BATCH C- Thyroid disorders	
5.06.2020 Friday	Introduction to Reproductive system	Clinical Discussion - GTT	Batch B: Surface marking of head and neck SDLs(Smell and taste) SDL: BATCH A Thyroid disorders	Dissection: Blood supply of brain
6.06.2020 Saturday	L:Embryology: Branchial apparatus -III	Photo chemistry of Vision	Batch C: Surface marking of head and neck SDLs(Smell and taste) SDL: BATCH B: Thyroid disorders, renal failure ,nephrotic syndrome	SPORTS

Week 41						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
8.06.2020 Monday	L:Embryology: Branchial apparatus -IV	Clinical Discussion - Kwashiorkar, Rickets, Scurvy, Gout,Osteoporosis	Short Break	Batch A: radiology of head & neck Demo – (Anthropometry) SGD/ DEMONSTRATION: BATCH C: DNA isolation from blood/tissue	Lunch Break	Revision

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

9.06.2020 Tuesday	Higher function speech	L:Development of ear	Batch B: radiology of head & neck Demo – (Anthropometry) SGD/ DEMONSTRATION: BATCH A: DNA isolation from blood/tissue	Revision
10.06.2020 Wednesday	L:Development of CNS-I	Male reproductive system	Batch C: radiology of head & neck Demo – (Anthropometry) SGD/ DEMONSTRATION: BATCH B: DNA isolation from blood/tissue	Revision
11.06.2020 Thursday	Clinical Dicsussion - Phenylketonuria, Multiple myeloma	L:Development of CNS-II	SDL Batch A: embryology models of head and neck SDLs BATCH B: (Family Welfare programme) SDL: BATCH C- Jaundice & liver disorders	Revision
12.06.2020 Friday		Female reproductive system -I	Clinical Dicsussion – Jaundice, Alcoholic liver disease	SDL Batch B: embryology models of head and neck SDLs BATCH C: (Family Welfare

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

			programme) SDL: BATCH A - Jaundice & liver disorders		
13.06.2020 Saturday	L: cranial nerve VII & VIII	Electro Physiology of vision & Colour vision	SDL Batch C: embryology models of head and neck SDLs BATCH A: (Family Welfare programme) SDL: BATCH B: Jaundice & liver disorders		AETCOM

Week 42						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
15.06.2020 Monday	L: cranial nerve IX & X	Clinical Dicsussion – Respiratory and metabolic acidosis	Short Break	Histology Practical Batch A: Revision Revision SGD: BATCH C: DEMONSTRATION -Quality control	Lunch Break	Revision
16.06.2020 Tuesday	Physiology of Hearing-I	L: cranial nerve XI & XII		Histology Practical Batch B: Revision Revision SGD: BATCH A: DEMONSTRATION -Quality control		Revision

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

17.06.2020 Wednesday	L:Radiological anatomy of head and neck- vertical integration	Female reproductive system -II	Histology Practical Batch C: Revision Revision SGD: BATCH B: DEMONSTRATION -Quality control	Revision
18.06.2020 Thursday	Clinical Dicsussion – Respiratory and metabolic alkalosis	L:Sectional anatomy	SDL Batch A: Neuroanatomy Revision SDL: BATCH C- Pancreatitis	Revision
19.06.2020 Friday	Physiology of Hearing-II	Clinical Dicsussion - RDS, MI	SDL Batch B: Neuroanatomy Revision SDL: BATCH A Pancreatitis	Revision
20.06.2020 Saturday	VERTICAL INTEGRATION		SDL Batch C: Neuroanatomy SDL: BATCH B: Pancreatitis	SPORTS

Week 43						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
22.06.2020 Monday	Revision	Revision	Short Break	Revision	Lunch Break	Revision
23.06.2020 Tuesday	Learning & memory-II	Revision		Revision		Revision
24.06.2020 Wednesday	Revision	Female reproductive system –III		Revision		Revision
25.06.2020	Revision	Revision		Revision		Revision

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.

Thursday					
26.06.2020	Physiology of Pregnancy	Revision		Revision	Revision
Friday					
27.06.2020	Revision	Fetal Physiology & Newborn Physiology		Revision	SPORTS
Saturday					

Week 44 Internals						
Day & Date	8.45-9.45am	9.45-10.45am	10.45-11am	11.00-1.00pm	1-2 pm	2-4pm
29.06.2020 Monday			Short Break		Lunch Break	
30.06.2020 Tuesday						
1.07.2020 Wednesday						
2.07.2020 Thursday						
3.07.2020 Friday						
4.07.2020 Saturday						

BGS GLOBAL INSTITUTE OF MEDICAL SCIENCES, Bangalore.
