## **Observation of World Breast Feeding Week 2018**

**Background:** World Breast Feeding Week is observed every year during 1<sup>st</sup> week of August to encourage breastfeeding and improve the health of babies around the world. The theme of this year's World Breastfeeding Week is "**Breastfeeding: Foundation for Life**" — a recognition of the importance of breastfeeding to a baby's future. To commemorate the same, health education sessions were conducted by Dept. of Community Medicine in few villages nearby to UHTC, Gudimavu.

**Event:** A health education session was conducted at Thippur village. The event was inaugurated by lighting the lamp by Dr. Ashwini, Dr. Veena and Dr. Satvika from BGS GIMS, Mrs. Suvarna, ICDS Supervisor and Mr. Gururaj, Gollahalli PHC. The session was delivered by Dr. Ashwini G. S., focusing on various aspects of breastfeeding and nutrition. The beneficiaries were pregnant women, mothers, adolescent girls and elderly women. Anaganwadi Teachers and ASHA workers were also the part of audiences. It was a fun filled interactive session with active participation by the audiences.
