Date: 23<sup>rd</sup> September 2022

The Director  
BGS Global Institute of Medical Sciences (BGS GIMS),  
No. 67, BGS Health and Education City,  
Uttarahalli Road, Kongeri,  
Bengaluru Urban – 560060, Karnataka

Subject: Recognition of Scientific and Industrial Research Organisations  
(SIROs).

Dear Sir,

This has reference to your application for recognition of **BGS Global Institute of Medical Sciences (BGS GIMS), Bengaluru Urban, Karnataka** as a Scientific and Industrial Research Organisation (SIRO) by the Department of Scientific and Industrial Research under the Scheme on Recognition of Scientific and Industrial Research Organisations (SIROs), 1988.

2. This is to inform you that it has been decided to accord recognition to **BGS Global Institute of Medical Sciences (BGS GIMS), Bengaluru Urban, Karnataka** from 26.08.2022 to 31.03.2025. The recognition is subject to terms and conditions mentioned overleaf.

3. Receipt of this letter may kindly be acknowledged.

Yours faithfully,

  
(Dr. P.K. Dutta)  
Scientist - 'F'

## TERMS AND CONDITIONS FOR RECOGNITION OF SCIENTIFIC AND INDUSTRIAL RESEARCH ORGANISATIONS (SIROs)

1. The organizations should acknowledge receipt of the recognition letter by stating that they will abide by the terms and conditions of recognition.
2. The recognition will entitle the SIRO to receive such administrative support from the DSIR, Ministry of Science & Technology as may be required on issue to promote or encourage scientific research activities.
3. SIROs recognized by DSIR are also deemed to be registered. A separate certificate of registration\*\* is issued along with the recognition letter. The recognition would be valid for the period specified in the recognition letter and application for renewal of recognition shall be submitted in the prescribed proforma at least 3 months before the expiry of the valid recognition. Failure to submit application in time may lead to automatic lapsing of the recognition & registration.  
*\*\*However, the certificate of registration is not issued to SIROs engaged in activities falling within the definition of 'hospital' as per notification No. 51/96-Cus. Dt. 23.07.1996 issued by the Department of Revenue.*
4. The recognition of DSIR does not amount to approval u/s 35(1)(ii)/(iii) of Income Tax Act, 1961.
5. The registration will entitle the SIROs to avail of custom duty exemption on purchase of equipment, instruments, spares thereof, consumables, etc. used for research and development subject to relevant Government policies in force from time to time. Custom duty exemption has to be separately dealt with the customs authorities. The SIROs should abide by the terms & conditions of the customs notifications issued/amended from time to time.
6. Separate books of accounts shall be maintained by the SIRO for research & development activities and the R&D expenditure, both capital and recurring should be reflected the Annual Report and Statement of Accounts of the Organization in separate schedules.
7. Disposal/sale of equipment and products/prototypes/intermediates, if any, emanating from the R&D/pilot plant, should be intimated to DSIR immediately. The realization, if any, from above or any services rendered etc. shall be shown in the R&D accounts of the organization as income of the SIRO in the audited accounts as well as annual report and should be used or reinvested for research activities only. In case of disposal/sale of R&D equipment, clearance from custom authorities will also be required in view of the applicable notifications under which the equipment was imported/purchased in India.
8. Accelerated depreciation allowance as per Rule 5(2) of Income Tax Rules 1962 will be available on investments on plant & machinery by any industrial unit which has made these investments for the purpose of commercialization of technology/know-how acquired from a SIRO recognition by DSIR.
9. Brief summary of the achievements of the organization shall be submitted to the DSIR every year. This should include details related to papers published, patents obtained and process developed, new products introduced, awards & prizes received, copy of Annual Report and Statement of Accounts of the organization etc. List of equipment, instruments, parts and consumables imported/purchased using the duty exemption should also be submitted to DSIR along with the Annual Report.
10. Any violation of the terms & conditions mentioned-above and / or provisions of taxation in force will make the organization liable to de-recognition.
11. The organization will also conform to such other conditions for recognition stipulated in the Guidelines or as may be specifically provided in the recognition letter.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made and executed at Bengaluru on February 4th, 2020 between:

**BGS Global Institute of Medical Sciences,**

#67, BGS Health & Education City,

Uttarahalli Main Road,

Kengeri, Bengaluru, 560060

And

**Institute for Stem Cell Science and Regenerative Medicine (inStem)**

GKVK - Post, Bellary Road, Bangalore - 560065, Karnataka

### **PRELUDE:**

BGS Global Institute of Medical Sciences (BGS GIMS) is recognized as a center of excellence providing quality medical training and comprehensive health care in a socially responsible manner. BGS GIMS is a 700 bed teaching hospital offering undergraduate and post graduate medical education. With a focus on research, the institute has set up a state of art research lab to conduct various clinical and preclinical research programs. The central research lab is facilitating Clinical trials, animal preclinical studies and molecular studies.

The Institute for Stem Cell Science and Regenerative Medicine (inStem), is a state-of-the-art research institute in Bangalore, India, dedicated to the study of stem cells and regenerative biology with a translational emphasis. The research structure of inStem, an autonomous institute funded by the Dept. of Biotechnology (DBT), Govt. of India, is built on a core of collaborative research with a thematic focus. This cross-disciplinary approach to research straddles the divide between clinical and laboratory research. inStem's efforts have focused on accelerating advances in stem cell biology and regeneration in the context of brain, blood and cardiac disorders, skin diseases, as well as manipulation of stem cells for iPSC-based disease and tissue modeling. Research at inStem is well-supported, with core facilities being shared with the National Centre for Biological Sciences (NCBS), TIFR Bangalore, and the Centre for Cellular and Molecular Platforms (C-CAMP), which together with inStem form the Bangalore Life Science Cluster (BLiSc).

- Bear the expenses involved in the procurement and storage of samples at BSGGIMS
- The Co-PI from BSGGIMS, who is responsible to identify the source of sample and facilitate its collection will also be one of the authors in the publications out of the project.

## Termination of the MOU

This MoU will take effect from the date it is signed by representatives of the Parties. It will remain valid for five years and may be continued after suitable review and agreement. Either Party may terminate the MoU by giving written notice to the other Party six months in advance. Once terminated, neither BGS GIMS nor inStem will be responsible for any losses, financial or otherwise, which the other Party may suffer. However, BSGGIMS and inStem will ensure that all activities in progress, at the time of termination, under the subsisting specific agreements in terms of this Memorandum are allowed to be completed successfully.

This MoU is signed subject to approval of the competent administrative authorities of the Parties.
